COSMETICS CATALOG

ARMONIAVITAE

TARGETED ACTIVE INGREDIENTS, PROVEN EFFICACY.

Each formula is born from a scientific, results-oriented approach. Selected active ingredients and advanced cosmetic technologies ensure effective and targeted treatments.

Ingredients such as ***Moringa and Apulian Black Grape*** offer antioxidant and regenerating properties, supported by scientific evidence.

Intelligent textures and balanced compositions respect the skin, promoting deep and visible action. Research reaches the heart of beauty: skin DNA. Treatments work synergistically with cellular mechanisms, helping to protect and stimulate natural regeneration processes.

Innovation, precision, and continuous research: beauty takes shape through science.

DNA

A HIGHLY EFFECTIVE BIOTECHNOLOGICAL INGREDIENT, DNA PROMOTES CELL REGENERATION, PROTECTS AGAINST OXIDATIVE DAMAGE AND HELPS KEEP SKIN YOUNG, TONED AND VITAL.

MORINGA

A NATURAL ANTIOXIDANT, IT PROTECTS THE SKIN, DEEPLY HYDRATES, AND PROMOTES CELL REGENERATION. PERFECT FOR ANTI-AGING AND PURIFYING TREATMENTS.

APULIAN BLACK GRAPES

EXTRACTED FROM A POLYPHENOL-RICH APULIAN GRAPE, APULIAN BLACK GRAPE IS A POWERFUL NATURAL ANTIOXIDANT. IN COSMETICS, IT PROTECTS THE SKIN FROM FREE RADICALS, IMPROVES ELASTICITY, AND ADDS RADIANCE, HELPING TO COMBAT THE SIGNS OF AGING.

- Anti-cellulite body cream

UVIA is a 100% Made in Italy skincare line, created to respect nature, people, and the planet.

Advanced formulas with **natural ingredients**, such as *grape marc extracts*, and recyclable packaging to reduce environmental impact.

UVIA promotes authentic and inclusive beauty, breaking away from stereotypes, embracing a circular economy model that also protects the marine ecosystem.

Thanks to Airless technology, the products remain effective over time, protecting the skin safely and sustainably.

SUBLIME CLEANSING OIL MILK

Rich in oils, this cleansing milk removes makeup and nourishes the skin, **leaving it radiant and soft**. The creamy texture leaves skin visibly hydrated and radiant, for a cleansing that goes beyond cleansing.

GENTLE CLEANSING

REGENERATING CREAM PRO-AGE

Ideal for **dry and mature skin**, this cream targets wrinkles thanks to grape seed extract, Progeline Peptide, Hyaluronic Acid, and Soy Isoflavones, stimulating collagen and improving elasticity. It provides firmness and radiance, visible from the first month of treatment.

**FIRMS,
NOURISHES AND
REGENERATES
THE SKIN.**

PRO-AGE HAND CREAM

Anti-aging hand treatment with organic grape extract and Progeline Peptide. Reduces wrinkles, nourishes, and protects without leaving a greasy feeling. A creamy, concentrated texture for visibly younger, softer, and more radiant hands from the first application.

**PURIFIED AND
LUMINOUS SKIN
IN A SINGLE
GESTURE**

AQUA DI UVIA

Aqua di Uva is a water made from the pomace of black Apulian grapes, rich in mineral salts and with soothing, vasoprotective, and toning properties. **It combats irritation and inflammation, leaving skin fresh and regenerated.**

Its organic extract, obtained through an innovative low-temperature and ultrasound process, preserves all its natural properties for an effective and refreshing treatment.

ANTI-INFLAMMATORY EFFICACY

UVIA conducted an in vitro study to evaluate the efficacy of **Nero di Troia EG ViNeTro PlanBio grape** marc glycerin extract on the viability of the HaCaT human keratinocyte cell line. To this end, cells were exposed for 24 hours to a 2% dilution of the test item in complete culture medium.

Cell viability was determined using the MTS colorimetric assay, which measures the absorbance generated by the reduction of a tetrazole compound by metabolically active cells.

This process leads to the formation of a colored formazan, soluble in the culture medium, whose intensity is directly proportional to the number of viable cells.

Arbor VitaE Italia brings the power of nature to cosmetics with a line dedicated to Moringa Oleifera, known as the tree of life. The formulas, composed of 99% natural ingredients, offer hydration, protection, and radiance thanks to the antioxidant and regenerating properties of Moringa.

The products are dermatologically tested and suitable for even the most sensitive skin, for safe and natural beauty.

A commitment to sustainability guides every choice: organic ingredients and eco-friendly practices, without compromising on effectiveness.

MULTI-ACTIVE FACE CREAM WITH HYALURONIC ACID

Rich and natural formula (99%), ideal for day and night. With moringa extracts, it stimulates **cell renewal**, **smoothes** and **protects the skin from environmental damage**. Intensely hydrates and nourishes, perfect for dry and mature skin.

**99%
NATURAL
INGREDIENTS**

**ALSO IDEAL
FOR SENSITIVE
SKIN**

REGENERATING BODY CREAM

Nourishing and soothing high-performance body treatment with Moringa, plant oils, and fatty acids. Thanks to Sodium Hyaluronate, Inulin, and Vitamin E, it regenerates skin softness, while β -18 Glycyrrhetic Acid combats redness and discomfort. Its soft, non-greasy texture is ideal as an after-sun or post-shower treatment to restore immediate skin comfort.

SOOTHING DERMOACTIVE FACE CREAM

A natural, intensive day and night treatment that nourishes and protects the skin with Moringa and precious oils. **The combined action of Hyaluronic Acid, Ceramides, and Phytosphingosine plumps and firms, while Snail Slime and Vitamin E** brighten the complexion. A silky formula that guarantees elasticity, environmental protection, and daily vitality.

3-IN-1 FACIAL CLEANSER

Cleanses, removes makeup, and hydrates in a single step. It eliminates impurities and pollution, removing every trace of makeup. Thanks to Moringa oil, it deeply nourishes, restoring radiance and improving skin elasticity.

**PURIFIED AND
LUMINOUS SKIN
IN A SINGLE
GESTURE**

IFL

IFL is an ***innovative start-up dedicated to human health and environmental protection.*** Born with an ethical and sustainable vision, each formula reflects IFL's commitment to conscious well-being, aligned with regional, national, and international priorities for responsible and regenerative development.

ANTI-CELLULITE BODY CREAM

Biologically **active, regenerating, repairing, draining, and microcirculation-stimulating cream, non-comedogenic**. It rebalances the dermal tissue, protects, and has anti-aging properties. **Sodium DNA** acts on a specific molecular pathway for biorevitalization of dermal tissue by stimulating purinergic receptors.

PRODUCT CODE: M012

RESTRUCTURING SHAMPOO

An innovative natural formula with Moringa oil and constitutional water, enriched with probiotics and phytokeratin. It soothes the scalp, regulates sebum production, restructures and protects damaged hair. Thanks to its natural anti-frizz properties, it leaves hair shiny and silky. Tested on sensitive skin.

300 ml 10,14 fl oz

PRODUCT CODE: M007

MULTI-ACTIVE MORINGA FACE CREAM

A natural, intensive day and night treatment that nourishes and protects the skin with Moringa and precious oils. The combined action of Hyaluronic Acid, Ceramides, and Phytosphingosine plumps and firms, while Snail Slime and Vitamin E brighten the complexion. A silky formula that guarantees elasticity, environmental protection, and daily vitality.

Validity after opening: 6 months

50 ml 1,69 fl oz

PRODUCT CODE: M005 **PURIFYING FACIAL CLEANSER**

Body wash formulated for gentle and nourishing cleansing. Its exclusive formula is enriched with active Moringa oleifera water, which helps restore radiance and vitality to skin. Glycerin and lactic acid leave skin soft and velvety, and inulin helps maintain the physiological balance of the skin's microbiota. Peppermint essential oil provides a refreshing effect. Its creamy and enveloping texture is ideal for daily use.

500 ml 16,90 fl oz

PRODUCT CODE: M003 **3-IN-1 CLEANER**

3-in-1 treatment: cleanses, removes makeup, and moisturizes in a single step. It gently eliminates impurities and makeup, while moringa oil, panthenol, and natural moisturizing factors reduce redness and restore radiance, elasticity, and comfort to the skin.

Validity after opening: 12 months

100 ml 3,38 fl oz

PRODUCT CODE: M008
REGENERATING BODY CREAM

Nourishing and soothing high-performance body treatment with Moringa, plant oils, and fatty acids. Thanks to Sodium Hyaluronate, Inulin, and Vitamin E, it regenerates skin softness, while β -18 Glycyrrhetic Acid combats redness and discomfort. Its soft, non-greasy texture is ideal as an after-sun or post-shower treatment to restore immediate skin comfort.

200 ml 6,76 fl oz

PRODUCT CODE: M006
MULTI-ACTIVE FACE CREAM

A rich and nourishing formula, suitable for day and night use. Enriched with Moringa extract, it stimulates cell turnover, smooths skin, and combats pollution damage thanks to its antioxidant properties. With 99% natural ingredients, it provides intense hydration and nourishment, and is perfect for dry and mature skin.

Validity after opening: 6 months

50 ml 1,69 fl oz

PRODUCT CODE: F001

ANTI-CELLULITE BODY CREAM

A highly effective regenerating formula enriched with sturgeon DNA, an active molecule with strong anti-inflammatory properties and a stimulating effect on cell proliferation.

The product has demonstrated significant results in skin rebalancing in cases of severely damaged or burned skin, traumatic injuries, diabetic sores, and bedsores.

The formula is free of parabens, formaldehyde releasers, and halogens, ensuring a safe and skin-friendly preservative system.

Preptidi, esosomi e DNA sodico.

50 ml 1,7 fl oz

PRODUCT CODE: U005

BIBÌ THE WONDERFUL CREAM

A rich, hydrating cream with anti-pollution action and SPF 15 sun protection. Organic Nero di Troia grape marc and aloe vera extracts deeply nourish, improving elasticity and hydration. Natural pigments even out the complexion and minimize imperfections.

Rich and hydrating, it offers daily protection thanks to SPF 15 sunscreen and an anti-pollution complex, ideal for urban environments. Its effectiveness is based on selected organic active ingredients: Aloe Vera and Nero di Troia grape marc, both organically grown, work synergistically to improve skin elasticity and promote deep hydration. The blend is enriched with shea butter, sweet almond oil, and vitamin E, with emollient and antioxidant properties.

The texture is designed for comfort and performance: natural pigments even out the complexion and minimize imperfections, making Bibi also suitable as a makeup base. The formula is complemented by functional ingredients such as jojoba esters, silica, and polyglyceryl-2 dipolyhydroxystearate, which ensure stability and skin compatibility.

50ml – 1,6 fl oz.

PRODUCT CODE: U001

AQUA DI UVA

A Nero di Troia pomace water with soothing, vasoprotective, astringent, tonic, and refreshing properties that combat irritation and inflammation. It's refreshing and rich in mineral salts, yet acts as a highly effective healing extract.

Formulated with organic red vine extract, glycerin, and skin-friendly active ingredients, this emulsion is clinically tested to combat redness and skin irritation. Its soothing and anti-irritant action is supported by visible results and proven benefits.

Dermatologically tested
With bio-organic Vitis vinifera extract

Shelf life after opening: 6 months
75 ml 2,54 fl oz

PRODUCT CODE: U003
SUBLIME CLEANSING OIL MILK

Cleansing your face is a fundamental step in any beauty routine, as it removes dead skin cells, impurities, and excess sebum, improving skin radiance and hydrating it.

Formulated with a synergy of botanical active ingredients and plant oils, this micellar water combines makeup-removing effectiveness with nourishing and illuminating action. Key ingredients include cornflower, witch hazel, and orange blossom floral waters (), avocado, sesame, argan, and olive oils (), grape, hibiscus, and Terminalia ferdinandiana extracts (), as well as hyaluronic acid, phospholipids, and vitamin C.

The delicate texture removes impurities and makeup while respecting the skin's balance, while the presence of plant polysaccharides and soy isoflavones contributes to visibly brighter and more hydrated skin.

Shelf life after opening: 6 months.

100ml – 3,4 fl oz.

150ml – 5,0 fl oz.

PRODUCT CODE: U004
PRO-AGE REGENERATING CREAM

Nourishing and firming treatment that stimulates the skin's vital functions, reduces wrinkles, and provides firmness and radiance. Soft texture, ideal for dry, mature, and devitalized skin. Suitable for the face, neck, and décolleté.

An advanced formula that blends botanical active ingredients and next-generation peptides to offer a firming, nourishing, and illuminating treatment. Cornflower and witch hazel () floral waters, combined with precious soy, rice, argan, olive, and shea butter () oils, intensely nourish the skin. Grape, hibiscus, and Terminalia ferdinandiana () extracts provide natural antioxidants, while Trifluoroacetyl tripeptide-2 and Acetyl heptapeptide-4 promote skin tone. Hyaluronic acid and plant polysaccharides help maintain hydration and luminosity, giving the face a firm and radiant appearance.

Shelf life after opening: 12 months.

50ml – 1,6 fl oz.

PRODUCT CODE: U006
PRO-AGE HAND CREAM

Anti-aging hand treatment with organic grape extract and Progeline Peptide. Reduces wrinkles, nourishes, and protects without leaving a greasy feeling. A creamy, concentrated texture for visibly younger, softer, and more radiant hands from the first application.

Nero di Troia grape pomace extract will reduce the onset of redness and protect the skin from inflammation. The Progeline peptide combats cellular aging by reducing the production of progerin in the tissues and simultaneously reducing wrinkles. Pomegranate extract prevents the onset of dark spots, and Hibiscus makes hands brighter and more beautiful. The formula is enriched with organic plant extracts of Sweet Almond Oil, Avocado, and Shea Butter.

Shelf life after opening: 6 months.
 50ml – 1,6 fl oz.

PRODUCT CODE: U008
LIPOACTIVE BODY CREAM

Targeted treatment for localized reshaping and reducing fat deposits. It stimulates microcirculation, combats inflammation, and promotes the elimination of toxins. With grape seed extract and hyaluronic acid, it hydrates and firms the skin, visibly improving tone and elasticity.

The composition is enriched with a synergistic complex of natural and biotechnological active ingredients. Camellia sinensis leaf water and Coffea arabica seed extract, combined with caffeine, have a stimulating and draining effect. Rice bran and shea vegetable oils deeply nourish, while Centella asiatica and horse chestnut extracts promote skin tone and microcirculation.

Hyaluronic acid ensures long-lasting hydration, while copper peptide contributes to tissue regeneration. The formula is completed with escin, soy ferment, and red vine extract, known for their antioxidant and detoxifying properties.

Suitable for daily use on the thighs, buttocks, abdomen, and arms, the cream should be applied with a light massage until completely absorbed. Initial results are visible after the first few weeks of consistent treatment.

Shelf life after opening: 6 months.
 100ml – 3,4 fl oz.
